

SOAPPOPULAR® ANTIBACTERIAL FOAM AUTOMATIC DISPENSER - 1000ML

- Designed for broad application across multiple industries who demand a dispensing solution that increases access to Soapopular® Hand Soap in high-traffic areas.
- Our 1000mL Capacity Dispenser provides 2,600 Applications using an Infrared Sensor that detects users hands, and automatically applies a controlled amount of foam hand sanitizer.
- Bulk-Fill Refill System offers a cost-effective solution to dispenser refilling. Using one 4L Bulk-Fill Jug can refill up to four dispensers efficiently.
- Equipped with a protectice cover, this Soapopular® dispenser ensures that access to the inner parts is restricted to employed personnel only.

Bulk-Fill Refilling System

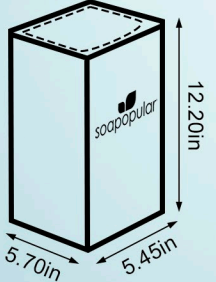

Refill up to 4 Dispensers with our large 4L Refill Jug. Just pour the contents into the dispensers inner refill bottle when needed.
