

Soapopular® Antibacterial Foam Hand Soap - 550mL

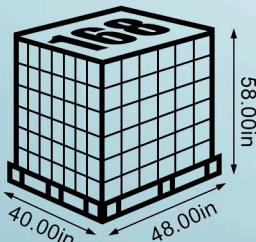

- Professional, high-quality Antibacterial Hand Soap designed for use across multiple industries: Schools, Offices, Medical, Dental, Hospitals, Retail, and more.
- Soapopular® Antibacterial Foam Hand Soap thoroughly cleans and protects the skin against harmful germs and bacteria while handwashing with water. Made with hypoallergenic ingredients to help reduce skin discomfort, irritation, and dryness.
- Our enriched foam formula includes high-quality emollients that are also used in reputable cosmetic products. They help to reduce skin irritation, dryness, and discomfort, even after using our products multiple times.
- Dye Free and Alcohol Free, our 180mL hand soap is hypoallergenic, making it the ideal for those relying on skin-friendly products.
- Our Alcohol Free formula offers an additional layer of safety and protection by inherently being non-flammable. Reduce the risk of flash fires by using our alcohol free formula products in your facilities.
