# Automatic Foam Dispenser

## Wallmount Dispenser with Infrared Sensor

Product Code: 10222-(W,S,B)

Soapopular® Automatic Dispenser - White: 10222-W

Soapopular® Automatic Dispenser - Silver: 10222-S

Soapopular® Automatic Dispenser - Black: 10222-B

### Infrared Sensor Technology

Equipped with an Infrared Sensor for consistent and reliable applications while reducing the risk of cross-contamination by contact.

### 1000mL Refill Capacity

With 2,600 applications, our dispensers continue working hard and requires fewer refill trips. Saving resources and time with maintenance.

### Rich Foaming Application

Dispenses enriched, lathering foam that spreads easily across the skin to thoroughly kill germs and bacteria.

### 4L Bulk-Fill Refill System

Soapopular® Alcohol Free (10222-[W,S,B]) Automatic Dispenser products are refilled using our Soapopular® Antibacterial Hand Soap 4L Bulk-Fill Refill Jugs (10004). Order separately.

When refilled correctly, Soapopular® 4L Bulk-Fill Refill Jugs offer up to FOUR refills of our Automatic Dispensers.

4L Bulk-Fill Refill (10004)

**1000ML CAPACITY**

**4L BULK FILL SYSTEM**

**TOUCHLESS DISPENSER**

### 2.5x More Applications

Foam offers 2.5x more applications compared to gel & liquid products.

### 2,600 Applications

Our 1000mL capacity dispenser applies 2,600 foam applications between refills.

### Foaming Formula

Foam is easier to apply and covers more surface area to disinfect the skin.

# Manual Foam Dispenser

## Wallmount Dispenser with Manual Pump

Product Code: 10106

### 1000mL Capacity

Reduce the number of maintenance trips required with our high-capacity manual dispenser products.

### Pump Activation

Our dispenser uses a conventional pump that evenly applies a controlled amount of hand sanitizer.

### 4L Bulk Refill System

Use our manual dispensers together with our 4L Bulk-Fill Refill jug, capable of filling up to four dispensers.

### Infrared Sensor Technology

With Infrared Sensor activation, we reduce the spread of germs and bacteria even further with our touchless dispenser.

### Convenient and Portable

Create a portable and convenient hand hygiene station for receptions, doctors office, classrooms, and other areas with desk/counter space where hand hygiene is needed.

### High Capacity Dispenser

Our Automatic Dispenser can hold 1000mL of hand hygiene product to provide 2,600 foam applications between refills.

### Durable and Stylish

Made using aluminum, the Countertop Stand maintains durability to handle high-traffic areas with ease.

# Wallmount and Desktop Bracket

## 550mL Product Accessory

Product Code: 61700 (Wallmount), 61700-5TU (Desktop)

Soapopular® Antibacterial Foam  
Hand Soap 550mL (10550)

Wallmount Bracket (61700)

Desktop Bracket (61700-5TU)

**DURABLE STEEL**

**SECURE PLACEMENT**

**REDUCE ACCIDENTS**

**EXPAND ACCESSIBILITY**

Soapopular® designed a secure method of **storing** and **applying** hand sanitizer during day to day activities.

The **Wallmount Bracket** lets our 550mL products have more **flexibility** within your facilities. With open wall space, our 550mL products can be placed in high-traffic areas where hygiene is possible.

The **Desktop Bracket** creates a secure station to store and to use our 550mL products on counters, tables, or desktop flat-surface areas.

Implement sanitization stations with the Desktop and Wallmount Bracket in your industry.

# 4L Foaming Pump Accessory

## 4L Pump Attachment

Product Code: 4L-FM

### Simple, yet Revolutionary

Our 4L Foam Pump turns our Bulk-Fill Refill Jugs into a commercial-sized sanitation station to maximize applications in high-traffic areas.

The top piece of the pump can be unlocked and locked just by twisting the pump, ensuring there are no accidental applications when not in use.

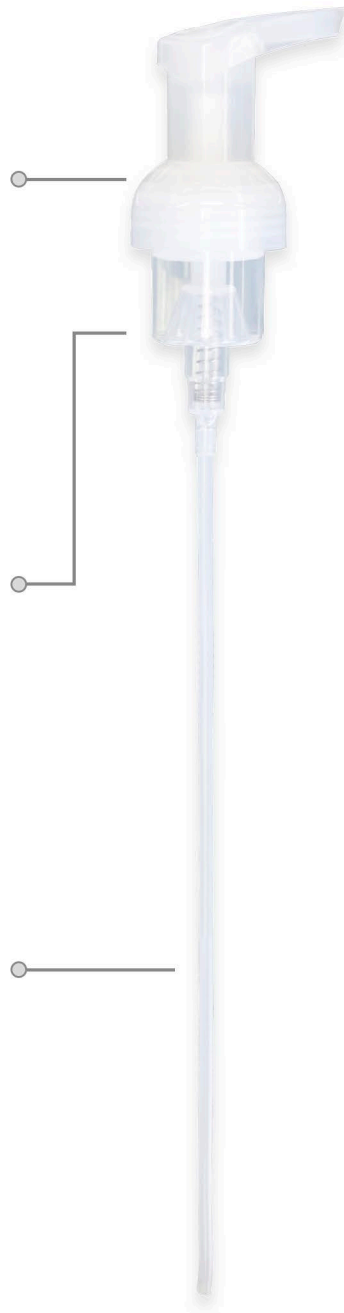

### Foaming Pump

Soapopular® 4L Foam Pump is made to mix the right amount of Hand Sanitizer formula and air to produce a lathering and rich foam.

Users hands will feel softer and smoother after use without skin dryness and irritation.

### Lengthened Dip Tube

Using a clear and custom sized dip tube, each pump is designed to fit and be used within our 4L Refill Jug to ensure almost every drop at the bottom is used.

**FOAMING PUMP**

**CLEAR HOUSING**

**INDUSTRIAL SIZED**

**SCREW APPLICATION**

### 4L Bulk-Fill Refill Jug

Soapopular® 4L Foaming Pump is used together with our 4L Bulk-Fill Refill Jug to create a high-capacity sanitation station offering maximized applications for long use.
