GOVERNMENT ■ AUTOMOTIVE ■ HOSPITALITY

PRODUCT FEATURES

- Kills harmful germs and bacteria
- Safe for children
- Effective against H1N1, MRSA, C. Difficile, & VRE
- Fragrance free
- Hypoallergenic
- Paraben free with NO Carcinogens
- Non-toxic
- Non-irritating
- Non-drying
- Non-flammable
- Rinse-free Formula

HYPOTOLERANT

SAFER FOR KIDS

FRAGRANCE-FREE

NON-FLAMMABLE

Soapopular® Alcohol Free Foam Hand Sanitizer offers a reliable and effective disinfecting experience that is **harsh** on germs, yet **gentle** on skin.

Formulated using high-quality emollients, our hand sanitizer **reduces** skin irritation, discomfort, and dryness. Even when used **frequently**.

Utilizing the power of foam, Soapopular® products cover more surface area per use while providing more applications than gel and liquid alternatives **mL** for **mL**.

Available in a variety of sizes with dispenser compatible options and accessories.

Health Canada DIN registered - **02270420**.

Soapopular® Alcohol-Free Foam Hand Sanitizer 550mL (68014)

DURABLE STEEL

SECURE PLACEMENT

REDUCE ACCIDENTS

EXPAND ACCESSIBILITY

Soapopular® designed a secure method of **storing** and **applying** hand sanitizer during day to day activities.

The **Wallmount Bracket** lets our 550mL products have more **flexibility** within your facilities. With open wall space, our 550mL products can be placed in high-traffic areas where hygiene is possible.

The **Desktop Bracket** creates a secure station to store and to use our 550mL products on counters, tables, or desktop flat-surface areas.

Implement sanitization stations with the Desktop and Wallmount Bracket in your industry.

4L Foaming Pump Accessory

4L Pump Attachment

Product Code: 4L-FM

Simple, yet Revolutionary

Our 4L Foam Pump turns our Bulk-Fill Refill Jugs into a commercial-sized sanitation station to maximize applications in high-traffic areas.

The top piece of the pump can be unlocked and locked just by twisting the pump, ensuring there are no accidental applications when not in use.

Foaming Pump

Soapopular® 4L Foam Pump is made to mix the right amount of Hand Sanitizer formula and air to produce a lathering and rich foam.

Users hands will feel softer and smoother after use without skin dryness and irritation.

Lengthened Dip Tube

Using a clear and custom sized dip tube, each pump is designed to fit and be used within our 4L Refill Jug to ensure almost every drop at the bottom is used.

FOAMING PUMP

CLEAR HOUSING

INDUSTRIAL SIZED

SCREW APPLICATION

4L Bulk-Fill Refill Jug

Soapopular® 4L Foaming Pump is used together with our 4L Bulk-Fill Refill Jug to create a high-capacity sanitation station offering maximized applications for long use.
