

Soapopular® Covered Manual Dispenser

Configured for: Soapopular® Antibacterial Foam Hand Soap

- Designed for broad application across multiple industries who demand a dispensing solution that improves access to Soapopular® Hand Sanitizer in high-traffic area's.
- Our high-capacity dispenser provides 3,000 applications using a conventional push pump to apply a controlled amount of foam hand sanitizer consistently.
- Click-and-Go Refill System makes maintenance fast, quick, and easy by swapping empty cartridges with filled ones for a seamless refilling system.
- Featuring Clean-Tip Technology, Soapopular® Cartridge Refills prevent wasteful leaks and drips by pulling residual foam back into the pump after each application.

Click-and-Go Refilling System

Quick and Easy Refill System that replaces empty cartridges with new ones for a seamless Click-and-Go Refill.
