

Soapopular® Drip Tray Accessory for Wallmount Dispensers

Drip Tray - White

Drip Tray - Grey

- Compatible with Soapopular® Wallmount Covered and No Cover Dispenser units.
- Easy to install using strong adhesive tape, our Drip Tray Accessory is placed against a flat wall surface beneath the dispenser.
- Designed to catch excess product from user run-off or from dispenser misuse to promote a safer and cleaner hygiene environment.
- Available in two colours, our Drip-Tray can seamlessly integrate into hand hygiene areas across multiple sectors in need of hazard-preventative accessories.

No-Cover Wallmount Dispenser

Covered Wallmount Dispenser
